Description

Vinito Pince Kft was established for the operation of our family farm in Erdőbénye in the heart of Tokaj wine region where we deal with grape and wine production by taking into account the requirements of the age and keeping the high quality. We work with traditional varieties, we produce our wines from the very best crops. Sárgamuskotály Száraz: dry wine, lively scents, fruity flavors. Furmint Száraz: light dry wine with the scent of pear. Hárslevelű Félszáraz: semi-dry wine with the scent of vine flowers. Sárgamuskotály Félédes: semi-sweet dry with the taste of old grape vines. Furmint Édes: sweet wine with the fresh aromas of fruit.
