Description

Csányi Winery is the largest company of the most famous red wine growing region of Hungary, Villány. The company's tradition, the growing area of 375 hectares and annual production of 2 million bottles, the flexible attitude and the endeavor for development highlight the Winery as a potential business partner worldwide. Our product structure is built on classic grape varieties, including Cabernet Sauvignon, Merlot, Pinot Noir, Cabernet Franc and is complemented by two traditional vines of the Villány wine region, Portugieser and Kékfrankos. Beside standard varieties, exciting varieties are available as well, like Shiraz or Petit Verdot.
