Description

We are a Hungarian factory producing different kind of biscuits and snacks. We are on the market since 1983. All of our products have top quality, we work according to the quality standards of HACCP, IFS, etc. We are ready to fulfil individual requests in taste, size, packaging, etc. We have good connection with the international supermarkets and domestic chains, we deliver also a lot of private label items for them. We can offer organic, diabetic and gluten-free items, furthermore we have biscuits specially for kids. We work on extending our export activity, we would like to find new partners and markets.
